

The Word of God¹ from the Fifth Sunday after Passover, of the Samaritan woman

In the name of the Father and of the Son and of the Holy Spirit, My word, the word of God, is descending from the clouds of glory upon your land and people, Romanian nation. Peace to you in this day of trial and strain, and of balance and perplexity now upon your land! I am the One Who is and I am leaving My voice above you and I am embracing you in the Holy Spirit and in the word of heavenly blessing on this day of fate for the installation of the helmsman, who will carry your name and place among the peoples through time, and now angels without number are sharing and empowering you with powers from above, so that God may make victory for you on this day, when your walk is established between earth and heaven and among the peoples again and again. (*Presidential elections, second round, r.n.*)

Peace to you, My country today, My country dear to Me! May the sons of the Romanian nation now be under the wisdom of heaven so that, from time to time, they may carry the banner of victory over the antichrist man, who would spread his poisoned net over your Christian flock and over the earth that bears Christians everywhere, and so that satan may lose them before God and that he may establish his kingdom of darkness without God, and here I am in battle with him and with his many and masked heads, wagging his tail to pull with it, if possible, even the stars in the sky, only that I, the Lord, stand with the open Scriptures and read in them and fulfill the battle of the Lamb of God with the beast that causes terror throughout the world, oh, and this enemy does not know how to read and believe that on the Romanian earth he meets Me, with the Lamb of God, with the glory of My word that blows over him, so that he may fall in knees at the breath of My mouth and keep running and have nowhere to stop, for the earth is God's creation and all the inhabitants of the earth will understand the work and the coming of My word to meet the antichrist, about whom it is written in the Scriptures that he will appear and be overcome by the breath of My mouth.

And behold, I am breathing a word upon you, enemy of Christ, impudent and equally blind antichrist. Behold, My battle with you! Therefore, bow down! You are caught in the act of thwarting, if you succeed, and overcoming Christ, the Son of God, the One Who made heaven and earth, man and paradise, and God's walking through time. Put down your weapons! You are face to face with the breath of My mouth, which becomes a word with power and am telling you: Stand back! May this day fill you with fear, may it overcome you through the power of the Holy Spirit divided by countless angels over all the sons of God's Romania, so that they may triumph over you with their God, oh, for more than half a year your spirit has been boiling and distributing all kinds of spells to defeat the Romanians under your dirty heel, only this people has My choice, and you have fooled yourself with all your army hidden under the name of saviors, (*Through the "independent" candidate Călin Georgescu, the "savior" of Romania from the current political leadership, corrupt and broken from the reality of the people's expectations, and who, with strong support on social networks through fake accounts created from Russia and Turkey, came in first place in the first round of the presidential elections organized in November 2024, although in the polls he*

appeared with 7-8% of preferences, but annulled by the Constitutional Court of Romania, due to these influences from outside the country and the ban on Călin Georgescu from running for election again, and the resumption of the election again in May 2025, r.n.), over My country today, but this country has angels in its tens of thousands this day and it is rising to My word, strengthening its hand and taking from God the power of victory against your fierce fight to lay it down. Oh, no, for between her and you I am, Jesus Christ, the Lamb of God, and I am accomplishing My victory over you, for you are an evil beast, for seven thousand years an enemy of man, ever since I had placed him in paradise, after I had created him and given him the spirit of life, and you made him your ally and whispered your lie to him, and now, I am overcoming you and putting everything in its place, and you in your place, for you are fire, fire enemy of God and man, and fire is your portion and what you and your old servants have loved and worked for seven thousand years and many through time until today.

Behold, I have spoken with you on the Romanian land and I have proclaimed you by name again and again, and I proclaimed Myself by name before you on the day of the drawing of lots that will show the helmsman for the Romanian country and nation in the future, and you are now standing in secret with a wicked plan and beating your tail to distribute poison; however, your power is falling before Me, for I am the Lamb of God and My victory over you is written in the Scriptures, and you are the antichrist, My enemy and the enemy of the Christian nation on earth, and especially of the Christian Romanian nation, in the midst of which I have established My citadel of seat and throne and glory of the word of victory. Do you hear what I am saying? Therefore, let yourself be caught and questioned, for your struggle falls through its own evil work. Amen. (See the selection topic: „[The antichrist and the apocalyptic beast](#)”, r.n.)

God the Father, the Son and the Holy Spirit bless you, Romanian sons from the country and from abroad, oh, that many of you have left home, sons, many, and you are strangers to the land that raised you from its bread. Come home, oh, sons, come and take care of your country and fight to have a future with God on your side, oh, that **great blessing this land and nation have from the Lord**, and the leaders of the peoples know this and they long for this glory. Come and make your country beautiful and cleanse your nation and land from the many-headed beast, sons.

Oh, this is what has been stirred up over the Romanian country! Wind and devilish storm have blown the spirit of the antichrist over this blessed land, special over the earth! Work has been done in the dark with satanic tools and habits, with spells and with souls bought with money on the side of the antichrist with the face of a believer in Christ. Oh, no! The red beast, (*The Social*

Democratic Party and its supporters, who worked secretly to support George Simion, the ideological successor of Călin Georgescu, who had great support with influence from Russia, especially on the “Tic-Toc” network, through tens of thousands of fake accounts, r.n.), which for thirty-five years has sat and continues to sit on the country's chairs, this beast with a red flower in its ear, (The party's electoral symbol, three red roses on a red background, r.n.), must be defeated now. But you, Romanian sons, younger children, and who do not know the sad history of your parents, (The history of over 50 years under the dictatorship of the communist red beast, overthrown from power in December 1989 through revolution and the summary trial and execution by shooting of the head of this beast, the dictator Nicolae Ceaușescu, a beast that have remained in power through the descendants of the communists from this “red party”, r.n.), gather around them and around the pure teachers of this nation and ask them to teach you what you do not know about this beast, which rose to lie in wait together with the freedom for the faith of Christians in the year of deliverance thirty-five years ago.

Oh, do not go wrong out of ignorance, you young children, for behold, many have not known and allowed themselves to be bought to sign their bad fate for tomorrow, oh, and they have worked with spells, with devilish tools with a human face, and God is telling you this, and you should believe the One Who sees and knows and says.

I am raising you up for victory, Romanian nation. I am standing in the middle all day of the drawing of lots, (*Voting Day, r.n.*), and I am searching everywhere with My divine eye, I am watching from above with a retinue of angels and holy ancestors of this nation and I am saying to the enemy: Down with the weapons! Down with the masks! Down with the

sheep's coat with which deception is shared! **I am Who I am, I am the Alpha and the Omega and today, I have got a day of victory for the nation on the Romanian land**, and I will come with a written word at the end of the day and I will admonish this people to watch, for the enemy is restless and impudent, he has a lie on his tongue to do justice, and the path of the Romanian nation will be difficult, it is going to be expected and be patient with wisdom, for the red beast has left bad traces and poverty, and I want to push aside the greedy servants and refresh the righteous, who have been prisoners without a word under the work of the many-headed beast, for I, the Lord, search the hearts and save those who seek deliverance on the side of the justice of things. Amen.

Again and again, heavenly blessing for the progress of this day and for the holy victory at its end!

I will stand in counsel and in the citadel of My word and I will place from heaven word and clarification by word for many who await clarification. **I am the Word That watches, Which is fulfilled by working and sharing from God.** I am, the sons who are standing guard in the citadel on My behalf, and I am leaving through you peace over the Romanian nation and prayer for this nation, so that it may rise victorious and walk uprightly and learn more and more, **to learn from God and not from men, for God is the Teacher, He is the light of the world, and this light is with you on earth and it is shared by you sharing from it, oh, sons. Amen, amen, amen.**

It is midnight now, and this glorious and victorious day is flowing towards tomorrow, after all My fight with the enemy over whom I, the Lord, have had to watch over to weaken him and to shame him again and again, for he has appeared to defeat My Romanian nation and turn it on his side, to give him into slavery and to mock his future from Me and to put at the helm of this people the one who is foreign to the blessing from God for the one who will sit on the high seat of the country from now on, and I, the Lord your God, have watched over you, Romanian people, and I have fought a hard battle to bring down the ambusher and to defeat him, putting him to shame completely, for I promised that I would fight and save the Romanian nation from falling, and the battle was hard and will still be hard and that is why I am writing a book and sending it on its way for the knowledge of those who are still digging and still struggling desperately if the race has fallen, (*Candidate George Simion lost the elections by a difference of 9%, after what, unexpectedly, approximately two million voters came out to vote in excess of expectations, the vast majority declared as undecided, r.n.*), oh, and the day was hard and too hard, and the Romanian nation and the nations around it will now believe that the enemy was great and cunning and masked on top and wanted to be victorious, and could only have been defeated by Me, the Lamb of God, as it is written about My fight with the many-headed beast, and that I will always defeat with a righteous fight.

I am embracing you in My arms and in My peace, Romanian people, so ambushed by the servants of the enemy to make you fall, to extinguish your power. Heavy money was used until the servants of the antichrist made you dizzy and blinded you, until you no longer had eyes to see the trap ready to grab you and bring you to your knees. You would not have been able to keep your walk and your freedom if I, the Lord, had not entered into battle with this beast, which keeps its heads hidden, so that it can lead you by the nose with its spells.

Oh, what a great sin this almost half of the people deceived by the enemy has amassed to give him their backing and put him on the throne of ruling over the country, so that he can boil you, Romanian people.

Oh, how can I now forgive you for the sin of betraying your country and nation? I have immediately come so as not to leave you over the precipice and I awakened you, and more than half of the Romanians chose to stand by Me and fought hard, so that the invader, who managed to blindfold half of the people and use everything to paralyze their walking, would not cripple you of his walking.

Woe to those who do not believe the enemy's plan to sit down to watch and protect for salvation when the enemy attacks in full force! All the greedy masters of power over the crowds, all make their paved paths to the nests of sorcerers and enchanters like the people of Israel of old, in the midst of which the pots of enchanters boiled to intoxicate the spirit of the people and for Israel to fall. Behold, even today those greedy for power are spreading castings, enchantments, intoxicating and defamatory words to buy people and for them to rise up against each other and for satan, the master of lies, that it may win, and who cannot be discovered with one or with two, if the darkness with which he covers his enemy's work is too thick.

The common man does not believe when he hears this truth, but those who walk with spells and lies to overcome as many people as possible, those believe in spells, believe in the powers of darkness, believe and use the support of the devil, oh, and that is why I, the Lord, advise Christians to sprinkle themselves with holy water with power over it all the time and to burn incense during prayer, and with the holy cross to mark their body and their walking and their lying down and their getting up and their bread and their water and their shirt and their cart and their whole house and all their work, for this time is full of the work of sorcerers and the spirit of blindness and all those who curse and give their children and oxen and horses and plow and scythe and work to satan are given to the devil, oh, because they have the speech of satan on their tongues and satan is rich in everything of the man who curses and overcomes with words, with his own tongue through cheap swearing and curses their work, their family and their whole life, oh, and there are no more shepherds to search for those who wander without watch and to show them the way and the citadel of escape, the Christian flock, those who love the kingdom of heaven on earth with them, and Christ, Whom almost everyone in the world has been cursing with words of debauchery and slander for so long, for two thousand years.

Oh, My beloved country, I cannot leave you in the enemy's trap. I have shown you My divine power and have pulled you out of the trap again and again. Do you see this? You are hated because you are beautiful and because satan sees your brilliance and covets you to defile your face and your dress and your faith, and to snatch you from under My power.

Oh, do not let yourself be blinded, Romanian people! Watch, son! There is danger if there is no watchfulness, for the enemy comes and harms you from behind and cuts off your strength and walking.

Oh, how hard it has been in My fight today with the enemy antichrist, how hard it has been with the one hidden under his darkness and with hidden weapons! It was not a human victory, oh, no! **The heavenly powers have stood in battle with Christ for the country, they have stood with Me against satan, and My word have brought him down.** This is the power of My word descended on earth among men, and this time has come, Christ came among men with the work of the word, **and His name is called the Word of God**, (*Apoc: 19/13*) and this is the whole mystery by which satan is overcome. For thirty-five years I have brought the work of My word above, and since then I have been overcoming on My side for the Romanian nation, no matter how much the enemy's work intensifies, for before Me all the heights bow down and worship and confess God, as it is written. Amen.

I am embracing you and comforting you, Romanian people. Be careful not to fall again! I stand watch at your bedside and send you a book and watch over you with the word of My mouth, even if you do not see and receive it, with My protection over you. Oh, peace to you, and keep this wish and its work between Me and you! I, the Lord, Jesus Christ, your Teacher, remain watchful, remain with you in secret and embrace you in the word whenever it is necessary to remove from you any temptation that would try you and lose you from Me, and I will not leave you.

Here we are blessed on earth, Me and you, **My Romanian country, My home today, My wedding hall at the end of time!** (See the selection topic: „[*The Wedding of the Lamb*³](#)”, r.n.) I love you with great love. Oh, do not forget My love for you. I am and remain the Lord, your God, and I always send you the spring of My word, which has been flowing for seventy years on your beloved land and is always victorious for you, oh, My country today, and is divided into four parts and waters your land and brings God to the earth. Amen, amen, amen.
